

StudentsOption EnrollmentA. Process and Time Lines to Option In

For a student to attend Holdrege Public Schools as an option enrollment student, the student's parent or legal guardian must submit an application to the Holdrege Public Schools between September 1 and March 15 for enrollment during the following and subsequent school years (the "application period").

Upon receipt of an application, the Superintendent or the Superintendent's designee shall provide the resident school district or, if the student attends a different district as an option student, the option district with the name of the applicant on or before April 1 or, in the case of an application submitted after March 15, within sixty days after submission.

Provisions for Waiver of Application Deadline:

The application deadline will be waived by the School District for applications to option into the Holdrege Public Schools, provided that the application contains a release approval from the resident district or, if the student is an option student attending a different district, the option district attended by the student and satisfies any other requirements of law. Further, the application deadline shall not be waived if the application is for enrollment in any program, class, grade level, or school building or in any special education programs operated by this School District which have been determined by the School Board to be at capacity in accordance with the capacity standards (Appendix "1"), and no waiver of the deadline shall be made for such an application regardless of whether such capacity determinations are declared invalid for any reason.

B. Rejection of Applications; Reasons

1. Capacity: An option enrollment application shall be rejected in the event the capacity of a program, class, grade level, or school building or the availability of appropriate special education programs operated by the School District would be exceeded by acceptance of the application, and an option enrollment application shall be rejected in the event the application is for enrollment in a program, class, grade level, or school building which has been declared unavailable to option students due to lack of capacity.

The Director of Special Education shall review on a case-by-case basis all option applications for students that would receive or could be eligible to receive special education or related services. If the Director or designee determines that the District does not have the capacity to provide the student with the appropriate services and accommodations, then the Director or designee shall send a denial notice to the parent(s) or guardian(s) and include a description of services and accommodations that the District does not have the capacity to provide.

2. Timeliness: An option enrollment application shall be rejected in the event the application is not filed on or before the April 1st immediately preceding the school year in which enrollment is sought, and the filing deadline has not been waived.
3. Previous Option Enrollment: An option enrollment application shall be rejected in the event the student has exhausted their option enrollments in other school districts, as determined by state law.
4. Other Reasons: An option enrollment application may be rejected in the event the Superintendent, the Superintendent's designee, or the School District determines: The application is not submitted on a form prescribed by the State Department of Education, is not completely and accurately filled in, is not received within the time required by law, or any additional information requested to be supplied is not supplied to the School District within the time lines indicated; or in the event acceptance of the application is not required by law. Matters which are legally prohibited from being considered as standards for acceptance or rejection of applications (including "previous academic achievement, athletic or extracurricular ability, disabilities, proficiency in the English language, or previous disciplinary proceedings" and further including, without limitation, race, national origin, and gender) shall not be considered as reasons for acceptance or rejection.

C. Priority of Acceptance

Priority shall be accorded in the following order: (1) to those applications required to be given priority by law, (2) to those with a sibling in attendance at Holdrege Public Schools, with priority within this group being given to those who had earliest filed applications, and (3) those without an option student sibling in attendance at Holdrege Public Schools, with priority within this group to those who had earliest filed applications.

Filing date determinations are made by the Superintendent, or the Superintendent's designee. In the event applications within a group are received at the same or substantially the same time, priority as between such same-date applications shall be determined on the basis of random drawing.

D. Determination of Capacity

The School District will determine and set, on an annual basis, the maximum number of option enrollment applications the School District will accept in any program, class, grade level or school building or in any special education programs operated by this School District, based upon available staff, facilities, projected enrollment of resident students, projected number of students with which this School District will contract based on existing contractual arrangements, and availability of appropriate special education programs, and may declare a program, class or school unavailable to option students due to lack of capacity. Such determinations may be made in the form of an Appendix "1" to this Policy. The determination and declaration made for any school year shall continue in effect for the next and subsequent

school years unless otherwise determined and/or declared. The capacity for special education services shall be determined on a case-by-case basis as determined by the Director of Special Education or designee.

E. Releases for Options Out

A request for release of a resident student of or option student currently attending Holdrege Public Schools who submits an enrollment option application after March 15 or any other statutory deadline will be granted only on the following conditions:

1. Kindergarten: A release will be granted where the application is for a student who is seeking to enroll and attend the Kindergarten grade level provided the application was filed on or before June 1 prior to the first semester of the next school year.
2. Siblings: A release will be granted where the application would allow the student to attend the same school as a sibling. A “sibling” for this purpose means a child who resides in the same household on a permanent basis with a student who is currently enrolled in the option district and who has the same natural or adoptive parent or who is a stepbrother or stepsister.
3. Educational Programming: A release will be granted where the needs of the student require the District to obtain additional staffing or equipment and it is in the best interests of the District and the student to enroll in the option district. The determination of whether this condition is met shall be made by the Superintendent or the Superintendent’s designee.
4. No Pending Expulsion: The deadline shall not be waived if the administration is considering or has recommended expulsion of the student at the time the application is filed, and the administration determines it is appropriate to complete the expulsion process.

The Superintendent or the Superintendent’s designee is hereby authorized to execute such releases on behalf of the School District and the School District.

F. Notification of Acceptance or Rejection

In the case of an application to option enroll into the Holdrege Public Schools, the Superintendent or the Superintendent’s designee shall notify, in writing, the parent or legal guardian of the student and the resident school district or, if the student is an option student attending a different district, that option district whether the application is accepted or rejected on or before April 1 or, in the case of an application submitted after March 15, within sixty days after submission.

If an option enrollment application or a request for release is rejected by the Holdrege Public Schools, the Superintendent or the Superintendent’s designee shall provide written

notification to the parent or guardian stating the reasons for the rejection and the process for appealing such rejection to the State Board of Education. Such notification shall be sent by certified mail.

G. Status of Option Student

A student who is admitted under the enrollment option program shall be treated as a resident student, and in such regard shall be required to provide such enrollment information and documentation as is required for enrollment of other students (e.g., certified birth certificate and evidence of physical examination, visual evaluation and immunization), shall be required to be enrolled on a full-time basis, and shall be required to adhere to student conduct rules. The building assignment for an option student, as well as classroom and grade level assignments, shall be determined solely by the administration.

An option student shall not be entitled to transportation except as required by law. Transportation or transportation reimbursement will be provided in the following circumstances:

1. Holdrege Public Schools may, upon mutual agreement with the parent or legal guardian of an option student, provide transportation to the option student on the same basis as provided for resident students. The school district may charge the parents of each option student transported a fee sufficient to recover the additional costs of such transportation.
2. Option students who qualify for free lunches are eligible upon request for either free transportation or transportation reimbursement from the option school district. The District's policy is that the District selects which service (transportation or reimbursement) is to be provided to students.
3. For option students receiving special education services, the transportation services required in the student's Individualized Education Plan shall be provided by the resident school district.

I. Information Regarding Schools, Programs, Policies and Procedures.

As part of the option enrollment program, the administration shall make information about the Holdrege Public Schools and its school, programs, policies and procedures available to all interested persons and shall have a copy of the option enrollment policy and regulations available on the HPS website.
