

Community RelationsAnnual Report and School Improvement

The Superintendent shall prepare and distribute each year an Annual Report in accordance with Nebraska Department of Education Rule 10. The Annual Report shall be distributed or made available to residents of the School District each year. The report shall include information required by NDE Rule 10 and applicable NDE guidance. The results of the annual report shall be used to plan and make needed changes to improve instruction for all students.

The Superintendent shall further ensure that the School District implements a systematic on-going process that guides planning, implementation, and evaluation and renewal of school improvement activities to meet local and statewide goals and priorities. The school improvement process shall focus on improving student learning and include a periodic review by visiting educators who provide consultation to the local school/community in continued accomplishment of plans and goals. The school improvement process shall further include the following activities at least once within each five years:

- A. Review and update of the mission and vision statements.
- B. Collection and analysis of data about student performance, demographics, learning climate, and former high school students.
- C. Selection of improvement goals. At least one goal is directed toward improving student academic achievement.
- D. Development and implementation of an improvement plan which includes procedures, strategies, actions to achieve goals, and an aligned professional development plan.
- E. Evaluation of progress toward improvement goals.

The school improvement process shall further include a visitation by a team of external representatives to review progress and provide written recommendations. A copy of the school system's improvement plan and the written recommendations shall be provided to the Nebraska Department of Education, when appropriate. The external team visits shall be conducted at least once each five years.

At least annually, the Superintendent or designee shall provide a computer science and technology education status report to both the Board of Education and Nebraska State Department of Education. The annual report may include information about student progress on the computer science and technology courses and other relevant measures of student progress in the areas of computer science and technology education. To the extent appropriate, computer science education data may be incorporated into the District's Annual Report and considered as part of the District's ongoing school improvement planning process.
